

Your story & perspective has power.

Communicate - Connect - Engage

# Story Workshops

hosted by Stories for Action

## Workshops serve:

- Working groups & partnerships
- Community gatherings
- Organizations & foundations
- Businesses in all sectors
- Classrooms: high school, college, adult-ed

## Story workshops help:

- clearly communicate your impacts & mission with the public
- internal mission-building
- improve community connectivity
- increase public engagement
- connect with funders
- website & social media content
- grant & academic applications
- public speaking & daily dialogue
- advocacy & policy change

---

Workshops are fully customizable  
and can include the following:

- **Articulate the story** of your group, community, or self (verbal or written)
- **Create space** for individual perspectives to be shared amongst a collective group
- **Communications toolkit** for approaching a storytelling professional to ensure a cost-efficient & effective product (film, social media content, etc.)
- **Entry-level training** for DIY video & audio storytelling
- **One-on-one consulting**

90 minutes to multi-day sessions - In-person or virtual  
*Discounted rates for non-profit organizations*
